

# PJR SERVICES BULLETIN

## SPREADING CHRISTMAS CHEER

This year, our team had the joy of bringing a little extra magic to the children of Toad Hall Nursery in Rayleigh, by donating a Christmas tree for the kids to decorate.

Paul took great care in selecting a tree that was safe, child-friendly, and just the right size for the preschool's space. The children can now add a selection of their own creations to the tree.

We hope it helps to spark creativity and joy within the classroom and make them some lovely childhood memories.

For PJR, this donation is more than just providing a tree—it is an opportunity to support early childhood education and make an impact, on young learners who are discovering the joy of festive traditions for the very first time. It makes this initiative even more rewarding!

We wish the  
preschool, our loyal  
customers and  
community a very  
Merry Christmas and  
a Happy New Year!

## A FESTIVE FEAST TO CELEBRATE THE YEAR

Our team celebrated the season with a fun staff Christmas meal this month, at the fantastic Leigh Bistro. It was a great chance to relax, share laughs, and enjoy good food together. The evening was a reminder of how much we value teamwork, friendship, and the chance to unwind before the busy year ahead.

## WINTER ROUND-UP

**Gritting Season:** As we enter the months of snowy and icy weather, this is just a reminder that PJR offers gritting services and snow clearance for our customers. If your paths are looking treacherous or you are snowed in, then get in touch on 01268 950123 and we will aim to get help to you at short notice.

**Health & Safety:** Following a rigorous process, PJR Services has officially achieved SafeContractor accreditation, recognising our commitment to the highest standards of health, safety, and operational excellence. This certification demonstrates our dedication to providing a safe, compliant, and professional service for all our clients and partners.

## BOREDOM BEATER

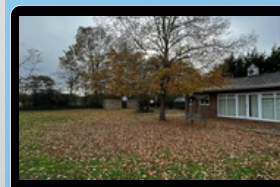

Can you solve the brain teaser?  
(Answer, below)

I fall in the North Pole but never  
get injured. What am I?

*Social Media Stories*  
@pjrservices

Leaf it to us! Our team have been busy across Essex clearing piles of fallen leaves and keeping sites looking tidy and professional.

Answer: Snow
